**Date:** Friday, February 01, 2008

**Time:** 12:30 PM

**Location:** 1408 wayside

**Offense:** Robbery

On February 1, 2008 the suspect entered the galaxy wheel shop at approximately noon. The suspect found four new tires and wheels for his gold expedition. The suspect told the employees that he wanted the tires and wheels installed on his gold expedition so the employees completed the work. The suspect did not have enough money to pay for all four tires and wheels so the manager charged him for two tires and wheels and removed the other two new tires and wheels from the expedition. The suspect left the business with two new tires and wheels and two original tires and wheels.

The suspect returned a short time latter and wanted to buy the remaining two tires and wheels. The suspect tried to pay with a check but the account had insufficient funds. When the manager told the suspect that the check was no good the suspect became violent and pushed the manager. The suspect then walked into the manager's office and stole money from the register and then loaded the two new tires and wheels in the gold expedition. The suspect was very aggressive but the manager was able to recover one tire and wheel before the suspect left in the gold expedition. Officers believed the suspect used a stolen identification card.

The suspect is described as a black male, 22-23 years of age, 6'02 to 6'04 tall with black, neck length, dread lock hair. The suspect was driving a 1998 gold expedition with paper plates.
